Dear Community Supporter,

Please join us for the 15th Annual Black & White Ball to be held on September 14th from 6-11pm at a new venue this year, the Bayou Pointe Event Center at ULM! Guests for the evening will be treated to a night filled with glamour and entertainment, with proceeds directly helping to fund the vital work being done by The Children's Advocacy Center of Northeast Louisiana. While we are currently seeking sponsors for this well-known and established fundraising event, we would first like to take a moment to say thank you for your consideration of support, and second, inform you about this worthy cause.

The Children's Advocacy Center of Northeast Louisiana serves children and mentally-challenged adult victims of sexual abuse, physical abuse, human trafficking, or those who have witnessed violent crimes. At the CAC, trauma survivors are provided with a friendly and supportive environment at which all necessary examinations, interviews, and assessments are conducted by specially-trained forensic interviewers at no cost to the families. We are then able to connect them to counseling services to begin the process of healing. The services offered by the CAC are vital to the mental health of the victims, as well as to the law enforcement agents tasked with prosecution. We are also excited to share that last year the CAC welcomed their very own professionally trained service dog, Kasha, to the team! Kasha's role is to provide comfort and support to the children throughout the interview and examination processes. We are continually grateful for the generosity of the community each year that makes all this possible.

As you continue to consider giving us your support, we ask that you please take a moment to review several options for sponsorship opportunities outlined in this packet. There are many excellent benefits to becoming a business or individual sponsor, including advertisement opportunities and table reservations. Sponsorship commitments can be made by returning the confirmation form enclosed or by visiting our website at www.standforhope.org. Thank you.

Sincerely,

Kelsey Laudenheimer
